How to simplify data entry in UNIFORM (video)

Data entry · https://www.uniform-agri.com/us/knowledge-base/dairy/data-entry/how-to-simplify-data-entry-in-uniform/

In this demo video, you'll learn how to make data entry in UNIFORM faster and easier by using keyboard shortcuts.
We show you how to quickly enter events such as **breeding**, **dry off**, **treatments** and **calvings**, navigate between fields, repeat entries and easily correct mistakes.

Watch this demo to discover how keyboard shortcuts can help you save time and make your daily data entry in UNIFORM more efficient.
