Hoof Trim: creating protocols and action lists (video)

Action lists & protocols · https://www.uniform-agri.com/knowledge-base/dairy/action-lists-protocols/hoof-trim-creating-protocols-and-action-lists/

With this demo movie you learn how to create **hoof trim protocols** and **action lists** in your management program. We will learn how to create it, adding cows that need a hoof trim and how to remove them. Watch and learn how to do it yourself! Don’t forget to turn on your sound.
