Culling Analysis: animal departures and production data (video)

Economics · https://www.uniform-agri.com/knowledge-base/uniform/economics/culling-analysis-animal-departures-and-production-data-video/

In this movie we are looking at how we can produce reports that show the reasons that animals left the Herd, their Age, stage of lactation and average lifetime production. All this information is found in the Culling Analysis report that is part of the Costings Module".
