Semen Inventory: manage semen stock (video)

Bulls & breeding · https://www.uniform-agri.com/knowledge-base/dairy/bulls-breeding/semen-inventory-manage-semen-stock-video/

This month we look at the **Semen Inventory** and how to set it up in your UNIFORM program using the **UNIFORM App** to enter the services. If you wish to use this facility remember to select the **[Use Semen Stock]** option that you will find in the **Serving** section of **General Settings** that you can find in **Program Settings**.
