Adjusting settings in the UNIFORM app (video)

UNIFORM App · https://www.uniform-agri.com/knowledge-base/dairy/uniform-app/adjusting-settings-in-the-uniform-app/

In this demo video, you'll see how easy it is to adjust the settings in the **UNIFORM App** to suit your preferences.

Change the language and text size, set up your home screen and notification lists, and define the criteria for the **Veterinary Checklist** in the management program.

After syncing, all your settings will be immediately available on your phone. Work efficiently with the **UNIFORM App**, fully tailored to your farm.
