UNIFORM App: view milk test results from previous lactations

UNIFORM App · https://www.uniform-agri.com/knowledge-base/dairy/uniform-app/uniform-app-view-milk-test-results-from-previous-lactations/

We now can see the **milktests** of previous lactations in the **UNIFORM App**. In the next pictures we will show you how to check this in your app. We get started at an **Animal Record**.

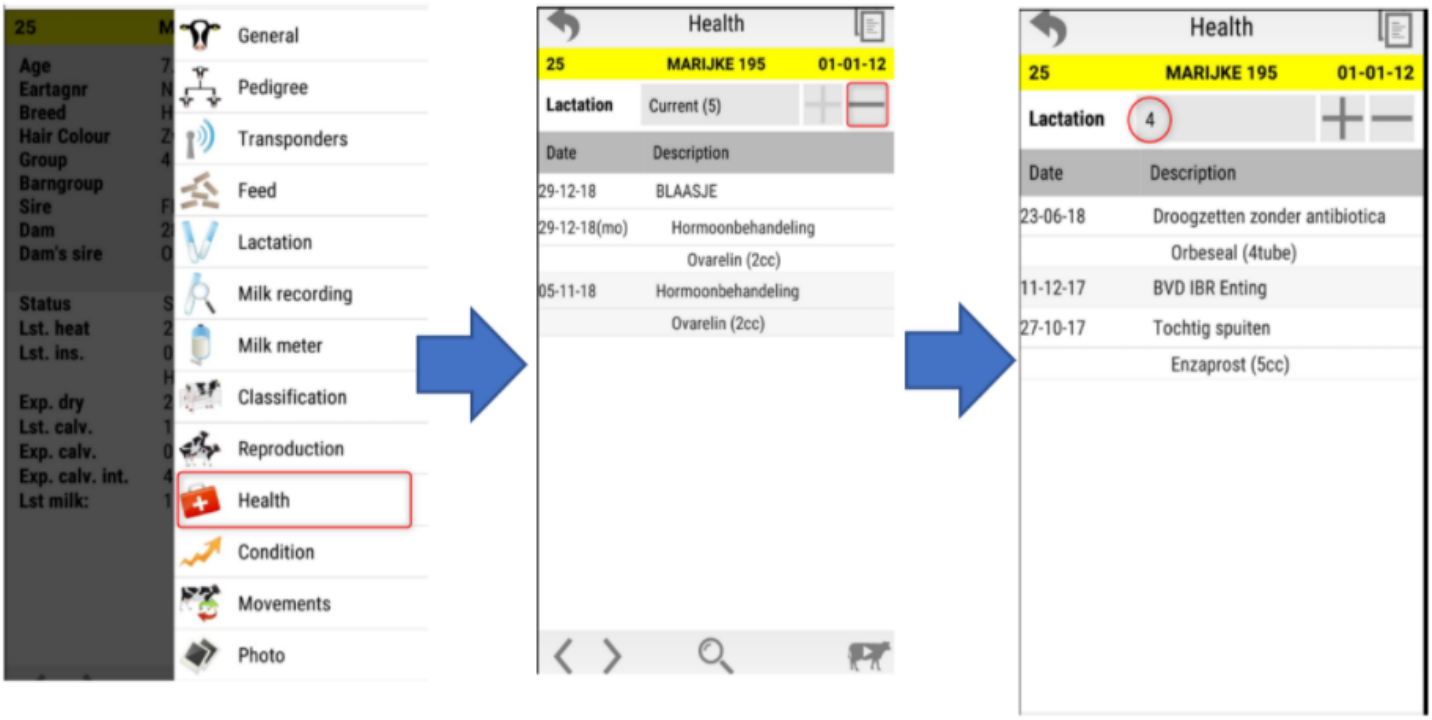

1. Click the **[Figure]** tab
2. Select **[Milk recording]**
3. The **Milk recording** results of current lactation will be shown when you click on the minus
4. The **Milk recording** of the 1st lactation will be shown as follows:

Date	Milk	Fat	Protein	SCC	LV
06-11-16	12,0	7,08	5,50	42	103
28-09-16	13,1	6,20	4,97	46	105
28-07-16	18,7	5,36	4,61	47	110
05-06-16	19,3	5,38	4,30	18	109
24-04-16	22,1	5,61	4,49	41	108
12-03-16	22,0	5,97	4,19	25	104
01-02-16	25,1	5,31	4,02	19	104
20-12-15	25,0	5,22	3,68	46	99
08-11-15	21,0	5,92	3,64	42	100

Also the **Health** and **Treatment record** works likes this. We will show you in the pictures below:
